Junior Business Development Executive

Description About Us

ITOrizon is a global consulting and technology company that helps enterprises design, implement, and optimize complex supply chain and digital transformation initiatives. Headquartered in Atlanta, USA, with offices in India (Bengaluru) and the UAE (Sharjah), we partner with global clients across retail, manufacturing, logistics, and distribution sectors.

We combine deep domain expertise with modern technology to deliver practical, scalable solutions. Our teams work across strategy, implementation, and managed services — helping organizations adopt leading platforms such as Oracle, Manhattan, Blue Yonder, and our next-generation composable enterprise platform, Karolium.

Role Overview:

ITOrizon is looking for a Junior Business Development Executive with 2–3 years of experience in IT services or software sales. The role focuses on lead generation, pipeline management, and supporting account growth. The ideal candidate is proactive, target-driven, and comfortable engaging with senior stakeholders across mid-size and enterprise clients.

Responsibilities

- Identify and qualify new business opportunities through digital marketing initiatives (LinkedIn campaigns, email nurturing, text messaging), outbound prospecting, networking, and inbound leads.
- Support the end-to-end sales cycle, including discovery calls, solution positioning, proposal preparation, and follow-ups.
- Maintain and update CRM systems (NetSuite, HubSpot, Salesforce, Zoho) with accurate lead, opportunity, activity, and pipeline data.
- Work closely with delivery and technical teams to prepare client presentations, demos, and proposals.
- Develop sales collateral such as pitch decks, case studies, and digital campaign materials for target industries.

Required Skills & Experience

- 2–3 years of experience in Business Development or Sales within IT, software, or technology services.
- Strong communication and presentation skills, with the ability to clearly articulate value propositions to both business and technical stakeholders.
- Working knowledge of B2B sales processes, CRM tools, and basic digital marketing practices (LinkedIn Sales Navigator, email automation tools).
