## Marketing Specialist – Automation & Performance Marketing

### Description About Us

ITOrizon is a global consulting and technology company that helps enterprises design, implement, and optimize complex supply chain and digital transformation initiatives. Headquartered in Atlanta, USA, with offices in India (Bengaluru) and the UAE (Sharjah), we partner with global clients across retail, manufacturing, logistics, and distribution sectors.

We combine deep domain expertise with modern technology to deliver practical, scalable solutions. Our teams work across strategy, implementation, and managed services — helping organizations adopt leading platforms such as Oracle, Manhattan, Blue Yonder, and our next-generation composable enterprise platform, Karolium.

### Role Overview

We are seeking a results-driven Marketing Specialist with expertise in marketing automation, reporting & analytics, AI adoption, and social media content creation. The ideal candidate will be responsible for planning, executing, optimizing, and reporting on multi-channel marketing campaigns to drive brand awareness, lead generation, and revenue growth.

### Responsibilities

#### 1. Marketing Automation

- Design and implement multi-step automated customer journeys.
- Develop workflow automation strategies to improve lead nurturing and engagement.
- Execute lead segmentation and scoring models to qualify sales-ready prospects.
- Build and maintain customer journey mapping and lifecycle campaigns.
- Monitor automation performance metrics and continuously optimize engagement and conversion rates.
- Implement AI-driven chatbot strategies integrated with CRM and automation systems to personalize interactions based on customer personas and lifecycle stages.
- Analyze chatbot performance metrics and refine conversational flows to enhance lead qualification, engagement, and conversion rates.

#### 2. Reporting & Analytics

- Prepare weekly and monthly marketing performance reports.
- Track KPIs such as CPL, CAC, ROAS, engagement rates, and conversion rates.
