## Senior Customer Success & Delivery Manager (Account Owner – Implementations and PMO)

### Description About Us

ITOrizon is a global consulting and technology company that helps enterprises design, implement, and optimize complex supply chain and digital transformation initiatives. Headquartered in Atlanta, USA, with offices in India (Bengaluru) and the UAE (Sharjah), we partner with global clients across retail, manufacturing, logistics, and distribution sectors.

We combine deep domain expertise with modern technology to deliver practical, scalable solutions. Our teams work across strategy, implementation, and managed services — helping organizations adopt leading platforms such as Oracle, Manhattan, Blue Yonder, and our next-generation composable enterprise platform, Karolium.

### Role Overview

We are seeking a Senior Customer Success & Delivery Manager to own end-to-end customer implementations, drive program governance (PMO), and ensure customer success and account growth.

This role combines:

- Account Ownership
- Program / Project Management (PMO)
- Customer Success Leadership

You will act as the single point of accountability for delivery, customer satisfaction, and long-term engagement success.

### Key Responsibilities

#### Customer Implementation & Delivery Ownership

- Own end-to-end implementations from kickoff to go-live and stabilization
- Act as Program/Project Manager (PMO) managing:
  - Scope, timelines, dependencies, risks, and deliverables
- Create and maintain:
  - Implementation plans
  - RAID logs
  - Governance cadence and status reporting
- Ensure on-time, on-scope, and high-quality delivery
- Coordinate cross-functional teams:
  - Product, Engineering, Data, and Support
